

# Message draft 1

## Starter message

Look at all the key words you've come up with. Which topic are you most interested in? Which do you think will be interesting for other people? Now think about what you want to say and make some notes for your message. Read them through. Are they going to be easy for other people to understand? Make some changes if you need to.

- What is he / she / it like?
- Where is it?
- Is it old? New?
- Why do you like it (her / him)?
- How do you use it?
- What is your experience of it?
- What is it for?
- Can you get different types?

Try and take a photograph or draw a picture to illustrate your message. If you choose your image well, it will help people to understand what you are talking about.
