

# Talk of the Town

## Industry and local specialities

What kind of crops are grown locally? Is your area famous for any special foods or crafts? What other industries do you have? Farming? Fishing? Tourism? Manufacturing? Where do people in your area go to work? Offices? Factories? Maybe they're self employed?

What crops are grown in your area? Are they special to your area?

---

Do you have any famous foods in your area? What do they taste like? How are they made?

---

Are there any famous local crafts? Do you know how to make them? How is the tradition handed on?

---

---

What's the main industry in your area?

---

Where do people in your family and your neighbourhood go to work?

---

Anything else?

---
