

Talk of the Town

Shops

What kind of shops do you have in town? Do you have a shopping district at the heart of the town? Or are there more out-of-town shops? Are your shops all in one big building or do you have department stores? What kind of shopping do you usually do? Write about your favourite shop if you have one.

Make a list of all the shops you usually go to.

Do you ever get sent on errands? What kind of thing do you usually have to buy? Where do you go for that?

Do you have any large supermarkets or department store? Are they in town or just outside? What do they sell?

Do you have a shopping arcade or a shopping centre nearby? What kind of shops do they have?

Write about your favourite shop. What does it sell? What are the staff like? Why do you like it? How do you get there? (walk, bike, bus, car etc)
