

My Day

After School

After lessons have finished, can you hang around and play at school? Do you take part in any club activities? Are there any after school classes that everyone is doing?

Is it OK to stay and play after school? If so, what do you do?

Does your school have any clubs? List them.

Do you belong to a club? When do you meet? What do you do?

How do you usually spend your time after school? Who with?

Do you go to learn anything after school (eg ballet, drumming, swimming etc)? Tell everyone about what you do.

Do you get homework from school? In what subjects? How long do you spend on your homework every day?
