

# Welcome to My School

## School calendar

When does your school year start and finish? What events do you have in the year? Which is your favourite event? How much holiday do you get? Compare your school with others.

When does the school year start and finish?

---

Do you have a sports day? What races / events do you do for it?

---

Do you go on school outings? When? How many do you go on each year? Where have you been so far? What was the most fun? Why?

---

What other school events do you have? When do you start to get ready for them? Explain what you do.

---

---

How many school holidays do you have? How long are they?

---

What do you usually do in the holidays?

---

Do you get holiday homework? How much and what sort of thing do you have to do?

---
