

My Day

Beginnings

This is the **My Day** talkboard. What is school life like for people at other schools in the UK and Japan? Tell each other about your days - you are bound to find some interesting things! Read your friends' messages carefully and ask questions if there is anything you'd like to know more about.

Ideas for your messages

how you travel to school, school rules, uniform, lessons, studying, break times, after school, club activities, student council, committees, lunch time, cleaning, assemblies etc
