## Activity Record

If you don't know what to write, this list may help you. Choose something you would like to write about and use it to start off your message.

You can also use this list to keep a record of what you've been doing. Tick the things you have already written about and things you've found out about from your friends on the talkboard. See how many topics you can tick off during the theme! If you keep all the sheets you have used when working on Japan UK LIVE! they will form a record of everything you've learned from this exchange.
