

# My House

## Beginnings

This theme is 'Homes and Houses' and it has two talkboards 'My Family' and 'My House'. Here, on the 'My House' talkboard, you will write about your house itself. What type of house is it? What's it built out of? What are the rooms like? Do you have a garden? Houses are very different in other areas and tell you a lot about culture and customs. Write as much as you can and compare houses with other people from different places on the talkboard.

### Ideas for your message

The style of house, its size, how old it is, how long you've lived there, what it's built of, type & number of rooms, furnishings and decoration, the kitchen, the bathroom, electrical equipment, heating & cooling systems, garden, your own room.....
