

Welcome to My School

other teaching rooms

Do you use any rooms other than your own classroom? Do you have a library, gym, swimming pool etc? What about a music room, home economics room, art room, science laboratory etc? Where do you go on computers at school?

As well as normal classrooms, what rooms are there in your school?

Make a list:

eg Music room, home economics room

Do you have a gym or sports hall? What does it have in it? Do you ever use it outside PE lessons? What for?

Where do you go on computers? In your classroom, in a computer room? Do you often use computers at school?

Do you have a swimming pool? What's it like?

Is there a library? When do you use it? What sort of books does it have?
