

My Day

Lessons and Learning

What do you study at school? How many hours lessons do you have a day? What's your best subject? How often do you have tests?

How many lessons do you have a day? _____

How long is each lesson? _____

What subjects do you study at school? Make a list of them all.

Do you always stay in the same classroom? Or do you move around?

Do you ever go out on field trips? What kind of places have you been to?

What's your best subject? Your worst? Why is this?

Do you have tests? How often do you have them?

Do you have a diary / notebook to take home with messages or comments about school? If so, what is it used for?
