

# Welcome to My School

## People who work at my School

What sort of people work at your school? There are probably lots of staff who all help make sure your school runs smoothly. Find out who these people are in the UK and Japan.

What sort of people work at your school? How many people are there? eg office staff, form teacher, teaching assistants, head teacher, music teachers, school nurse etc

---

---

Write about your form teacher. What is his / her name? What is he/she like? Does she / he have any special skills? Ask them if you can post up their photo.

---

---

Who is the most popular teacher in the school? Why is that? What do you like about them?

---

---

Who is the teacher who has been at your school for the longest? How many years have they been there? What was the school like when they started work there?
