## Transport in my town

What types of transport do you have locally? Perhaps there's bus, train, tram, underground, taxi etc. Do you ride a bike?

Make a list of all the types of transport in your area

---

---

How do you go to school? How long does it take? Are there any rules about the school journey?

---

What type of transport do you use mostly?

---

What's the most convenient form of transport? And the least convenient? Why is this?

---

Is there any other type of transport you'd like to have in your town?

---

Is there any transport you've not been on but would like to try?
