Getting Around
A Town for Everyone

Is your town easy for everyone to get around? What about disabled people, the elderly, people pushing baby buggies etc? How can we make sure everyone can get where they need to?

Do you think your town is user friendly for disabled people? Why? Why not?

_____

Go to a local station and make two lists. What do they have which makes it easy for people to use? What makes it difficult? Think about people who don't see well, wheelchairs, buggies, people who have trouble walking etc.

_____

_____

Now do the same for the vehicles (buses, trains, trams etc) themselves.

_____

_____

If you know someone who has trouble getting around or who has young children, ask them what they think.

_____

What can we do to make our towns easier to get around?

_____
