

Getting Around

Fares and Journeys

Write a bit more about fares and timetables on your usual route. How often does the transport run? Is it usually on time?

What type of public transport do you usually use? What is your stop called? Is it near your home?

How much does it cost to go one stop? What is the child fare?

How do you buy tickets? At a ticket office? From a machine?

What types of ticket are there? Try and explain the different fares.

Do you understand the timetable? How many times an hour does it run?

Does your transport run on time? Are there often delays and cancellations? How do you find out about them? What do you do when that happens?
