

Getting Around

Rules of the Road

What side of the road do you drive on? Where do pedestrians walk? What do traffic signals and pedestrian crossings look like? Do you understand the traffic signs?

What side of the road do you drive on? What side is the steering wheel on?

Do you have special paths for pedestrians and cyclists?

What do traffic signals and pedestrian crossings look like? Post up a photograph if you have one.

Do you have traffic safety lessons at school to tell you about road signs, safe cycling etc?

What road signs do you know? Are they the same as in other countries? Do you think visitors to your country will be able to understand them? Try and find out more.
