

Welcome to My School

Beginnings

This talkboard is **Welcome to My School**. What do you like best about your school? Is there anything special about it? What are the buildings, grounds and teachers like? What sort of events do you have during the school year? Please use this talkboard to report on many different aspects of your school life. Use photos and drawings to help people to understand better. Read other people's messages and try to find out how other schools in the UK and Japan are similar or different to your own.
